

Franchia's Cocktails

Soju Cocktails

Soju is a popular alcoholic beverage native to Korea. Its main ingredient is rice mixed with other ingredients such as wheat, barley and sweet potato. Franchia's unique soju cocktails are created combining soju with fruit teas, juices, spices and leaves.

Soju Mojito glass 15
(mint leaves, lime juice, fresh limes and soju)

Pink Moon glass 15
(shissandra, a hint of lime and soju)

Rejuvenation glass 15
(fresh pineapple juice, coconut milk and soju)

Nirvana glass 15

(fresh asian pear juice, a hint of lime and soju)

Meditation glass 15
(fresh mango juice, a hint of lime and soju)

Purity glass 15
(avocado, mint leaves, korean apricot extract and soju)

Makgeolli Cocktails

Makgeolli is a traditional alcoholic beverage native to Korea. It is a milky sweet rice wine which is made by fermenting a mixture of boiled rice and water. Franchia's unique makgeolli cocktails are created by combining makgeolli, soju(rice, wheat, barley & sweet potato) with fresh juices.

Mindfulness glass 16
(freshly squeezed orange juice, citron paste and makgeolli)

Tao of Love glass 16
(cranberry concentrate juice, Korean black raspberry wine, and makgeolli)
